MARCH 10, 2006

IN RE: Application of TELEFYNE INCORPORATED) ORDER CANCELLING
for a Certificate of Public Convenience and) CERTIFICATE
Necessity to Operate as a Reseller of)
Interexchange Telecommunications Services)
within the State of South Carolina and for)
Alternative Regulation.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of TELEFYNE INCORPORATED ("TELEFYNE" or the "Company") to cancel the Company's Certificate of Public Convenience and Necessity ("Certificate") to provide resold interexchange telecommunications services in the State of South Carolina. A review of the Commission's records reveals that the Commission granted TELEFYNE authority to operate as a reseller of interexchange telecommunications services by Order No. 2002-283, dated April 16, 2002.

By letter filed February 14, 2006, by the Company's counsel, TELEFYNE requests cancellation of the Company's Certificate of Public Convenience and Necessity. According to TELEFYNE, the Company no longer intends to provide telecommunications services in the State of South Carolina. TELEFYNE adds that the Company currently has no customers, and therefore, the voluntary discontinuance of TELEFYNE's certification will have no adverse impact upon consumers.

As TELEFYNE will no longer be providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that TELEFYNE's Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to operate as a reseller of interexchange telecommunications services authorized by Order No. 2002-283, dated April 16, 2002, issued in the instant docket to TELEFYNE INCORPORATED is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
